# Alpha-Stim® for Animals Training Seminar

**Friday  
September 28  
and  
Saturday  
September 29  
2007**

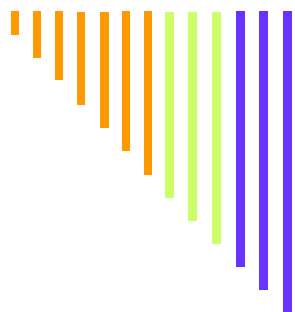

**Call  
Now!**

**(636) 583-6293**

This seminar is designed in a way that will enable you to confidently educate others about Alpha-Stim technology. You will learn how to apply it to many species of animals for a variety of conditions ranging from pain (arthritis, injuries, spinal trauma, phantom limb, surgical), wounds (non healing lacerations, edemas, fractures, lick granulomas), anxiety and behavioral disorders.

**Integrative Veterinary Education, Inc.**
